Dear Patient,

This letter is to inform you of an important update regarding our practice. Effective April 27, 2026, Ocmulgee Physicians will be acquired by Millennium Physician Group, a healthcare organization that shares our commitment to high-quality, patient-centered care.

Although the ownership of the practice is changing, there will be no changes to your care. Your healthcare provider, clinical staff, office team, location, phone number, and office hours will remain the same, and your medical records will continue to be maintained securely in this office as before.

You may continue scheduling appointments and receiving services just as you always have. There is no action you need to take at this time.

We are confident that partnering with Millennium Physician Group will allow us to enhance services over time while preserving the personal relationships and continuity of care that matter most to you.

Thank you for the trust you place in us and for allowing us to participate in your healthcare.

Sincerely,

Alan Justice M.D.,F.A.C.P.
